

PRZĘKRÓJ POPRZECZNY PRZEZ JEZDNIĘ
Schemat

The diagram shows a cross-section of a road. A vertical green line represents the centerline of the road. To the left of the centerline, there is a horizontal line representing the edge of the road, labeled 'krawężnik'. Below this line, a vertical dimension line indicates a height of '1,8m' from the ground level to the top of the curb. A horizontal dimension line indicates a distance of '1,0m' from the curb to the centerline. The road surface is labeled 'jezdnia asfaltowa'. Below the road surface, a horizontal line represents the 'projektowany wodociąg' (projected water supply line).
